Mr. John S. Carlile
Radio Information Officer
International Broadcasting Division
Department of State
Washington, D. C.

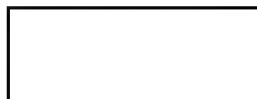

Dear Mr. Carlile:

Your letter of 16 April 1947 and the accompanying recordings have been received and are being processed in accordance with your request.

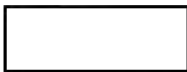

After reviewing the present workload of the monitoring staff I have thought it best to confine our work on these records to the languages in which we can actually be of help to you. Unfortunately, we have no one on the staff at present who can handle Greek, and therefore will have to give you summaries and evaluations of the Dutch and Russian only.

I will send you the results of this processing as rapidly as they are prepared.

Sincerely yours,

STAT
